Image 1:

1. Thread 3' of Fireline for one earring, or 6' for two earrings, on a needle. String [1B, 1A] x 4. Sew back through all the beads, tie a square knot, reinforce and exit an A.

Image 2:

2. String [1E, 1C, 1E] and sew through diagonally across the opposite A added in Step 1. String 1E and sew through the C just added. String 1E and sew through the A, B and A. Repeat thread path to reinforce and exit an A.

Image 3:

3. String 2C and go through the next A. Position the 2C to sit underneath the B added in Step 1. Repeat all the way around and exit a C just added.
4. String 1B and go through the next C. Repeat all the way around and exit a B just added.
5. String 5B and go through the B just exited to make a loop. Reinforce. Attach an earwire. (Not included in images).
6. Optional dagger drop: weave to exit a B from Step 4, opposite from the earwire. String 2B, 1F, 2B and go back through the B just exited to make a loop. Reinforce. Knot and tie off ends.
