## SUPPLIES

8—4mm Firepolish (A)		1—Daggar drop (F)
1g—11/o seed beads (B)		Jump ring
1g—11/o seed beads (C)		Chain
8—4mm bicones (D)		Fireline 6lb
16—3mm bicones (E)		

### Image 1:

1. Thread 6' of Fireline on a needle. String [1B, 1A] x 4. Sew through all the beads, tie a square knot, reinforce and exit an A.
2. String [1D, 3B, 1D] and sew through the A just exited (in the opposite direction that your thread is exiting) to form a loop. Sew forward through a B and A. Repeat this step 3 more times.
3. Sew forward to prepare for the next step through the D and 2B added in Step 2.
4. String [1B, 1C, 1B] and make a picot by going through the B just exited to form a loop. Sew through the B, D, B, D, 2B to weave to the next position and repeat 3 more times around. Sew forward to prepare for the next step and exit a D going up (or away from the center).
5. String [1C, 1A, 1C] and sew down through the adjacent D, A, and exit the D going up. Repeat 3 more times around, exiting an A from Step 1. (Not included in images).

### Image 2:

6. String [1E, 1C, 1E] and sew diagonally across the opposite B added in Step 2. String a 1E and sew through the C just added. String a 1E and sew through the A. Trace this thread path to reinforce. Weave up through the D and across to the C, A, C added in Step 5, and down the D to reinforce Step 5. Sew forward to the next A. Repeat 3 more times around.
7. Optional daggar drop: Sew up to exit the C picot in Step 4. String 2B, 1F, 2B and go back through the C just exited to make a loop. Reinforce. Knot and tie off ends. (Not included in images).
